**Partners for Women and Justice
Working to Break the Cycle of Domestic Violence with 5K Virtual Walk**

October is National Domestic Violence Awareness month – the perfect time to help raise funds to provide free legal services for low-income domestic violence victims. In that spirit, Partners for Women and Justice will be holding the Break the Cycle of Domestic Violence 5K Virtual Walk on October 10th and 11th to raise money for domestic violence victims. The \$35 registration fee includes a signature hat, post-walk zoom gathering, and knowing that you made a difference in the lives of domestic violence victims. Each walker is encouraged to raise \$250, including the \$35 registration fee. If you are interested in participating please contact Alexandra Neale, Development Associate at aneale@pfwj.org.

Partners for Women and Justice empowers low-income victims and survivors of domestic violence to build safe and secure futures for themselves and their children by providing equal access to justice. We provide free legal services to low-income victims of domestic violence.
